Company's Capital and Type of Shares: Article 6 The Company has accepted the registered capital system in accordance with the provisions of the Capital Markets Law and has switched to the registered capital system with the permission of the Capital Markets Board dated 27/02/2015 and numbered 5/253. The equity ceiling of the Company is 2.500.000.000.- (two billion five hundred million) Turkish Liras and is divided into 2.500.000.000.000.- (two billion five hundred million) shares each with a nominal value of 1 (One) Turkish Lira.

The equity ceiling permission granted by the Capital Markets Board is valid for the years 2024-2028 (5 years). At the end of 2028, even if the permitted equity ceiling has not been reached, in order for the board of directors to take a capital increase decision after 2028, it is obligatory to obtain authorization from the general assembly for a new period not exceeding 5 years by obtaining permission from the Capital Markets Board for the previously permitted ceiling or a new ceiling amount. If the said authorization is not obtained, no capital increase can be made by the board of directors.

The issued capital of the Company is TL 144,000,000 (one hundred and forty-four million) and the said issued capital has been paid in full free of collusion. This capital is divided into 144,000,000 (one hundred and forty-four million) shares with a nominal value of TL 1 (one) each. Of these shares, 8,000,000 (eight million) are Class A registered shares and 136,000,000 (one hundred thirty-six million) are Class B bearer shares.

No new shares may be issued unless the issued shares are fully sold and their consideration is paid or the unsold shares are canceled.

Shares representing the capital are monitored in dematerialized form within the framework of dematerialization principles.

The capital of the Company may be increased or decreased, if necessary, in accordance with the provisions of the Turkish Commercial Code and Capital Markets Legislation.

The equity ceiling permission granted by the Capital Markets Board is valid for the years 2024-2028 (5 years). At the end of 2028, even if the permitted equity ceiling has not been reached, in order for the board of directors to take a capital increase decision after 2028, it is obligatory to obtain authorization from the general assembly for a new period not exceeding 5 years by obtaining permission from the Capital Markets Board for the previously permitted ceiling or a new ceiling amount. If the said authorization is not obtained, no capital increase can be made by the board of directors.

The issued capital of the Company is TL 936,000,000 (nine hundred thirty-six million) and the said issued capital has been paid in full free of collusion.
